Springtime is here with its blossoms so fair. Oh may they bloom for

You Birds sweetly singing in sun kissed air Oh may they sing for you.

and when you're gazing at the blue sky a path may you trace there so true and

may life's roses on your pathway lie. These are my wishes for you

One of the Treasures of Life is in friend.

oh may I prove it to you one who will stay till the journey's end Tender Strong and

True and when Love comes in-to your heart May it abide your life

Through ^{bb} Now at the sunset the time comes to part These are my wishes for you.

MUSIC IN MY SOUL

John Jarvis

Gwladys Edwards

If I can help a friend along If I can help to right a wrong There's

music in my soul The solemn calling of coming day The laughter of a child at play leave

Music in my soul when I withstand the wrong of might and so, by doing, know I'm

right There's music in my soul when life has nearly worn me out and there is little

left but doubt Thank God for Music in my Soul
