 Jan'y. 6th 1817.

Dear Sir.

I enclose the certificate which you have desired, & will add in few words, that your conduct whilst under my command in the Phipson, gave such an excellent example to your Brother Midshipman of the same age, & was so excellently meritorious in every respect; that I shall always have the greatest pleasure in bearing the fullest testimony to your worth, whenever that testimony can be of service to you. — I am glad to hear your report of Cha! Price, & thank you much for your congratulations.

I am Dear Sir

Yours very faithfully
 Christopher Colver
