Wildflower of Western Australia.

Verse:

Always I remember
My Childhood's first refrain;
Maybe this September
I'll hear that song again.

Refrain:

Wildflower of Western Australia
Springtime was woven for you;
Your smile seems to sing Mother Nature's song,
Tell my native State that's where I belong.
Fair as the first blush of morning,
Kissed by the sunshine and dew;
My Wildflower of Western Australia
Sweeter paradise never grew.

Additional Choruses:

Wildflower of Western Australia
Mem'ry brings rainbow bouquets;
Those blue wooded hills by the golden plain
Call me from afar back to God's domain.
Queen in your garland of glory,
Child of the green tangled ways;
My wildflower of Western Australia
Linger in my heart all my days.

Wildflower of Western Australia
Back in the long, long ago
The Lord set His hand on this virgin land,
Angels sang your praise when the world was planned.
One with the dawn and the sunset
Watching the centuries go;
My Wildflower of Western Australia
Heaven is on earth here I know.
