These Schools are free to Pupils of any denomination where parents may be unable or unwilling to pay, but in the case of those whose circumstances may be so good as to render their gratuitous education unjust to others, it is intended as a discouragement to such class to limit the amount of instruction; usually the parents prefer paying.

The mode of instruction is according to the Irish National School System.

In Perth there are also three private schools, 2 boys and 1 girls.

The design has been to confine the schools to secular instruction only, the Biblical Lessons of the Irish National School Society only being read, and all purely doctrinal teaching carefully avoided, leaving the more important subject of religious instruction to the parents themselves, the Ministers of the different denominations (out of the School) and to the influence of Sunday Schools.

The apparent decrease in the Revenue of the Year ending 30th Sept., 1857, arises from the excessive quantity of Spirits and Tobacco taken out of Bond in July and August 1856, to avoid an amended Tariff; thus unduly increasing the Customs Revenue of 1856, and decreasing that of 1857.

HOLLOWAY'S PILLS.

Armed with this great antidote, the traveller is prepared to encounter all varieties of climate, for he has the means of eradicating nearly every species of internal disease. The endemics of the arid plains and the dense Bush country, the miasmatic swamps and streams permeating the neighborhood of the Diggings, and the epidemics which at particular seasons decimate the population of our crowded towns and settlements, are susceptible of being controlled by the purifying, disinfecting action of the Pills upon the animal fluids; while external diseases and injuries are rapidly and thoroughly cured by the anti-inflammatory and healing agency of the Ointment.

These celebrated Pills are wonderfully efficacious in the following complaints:—

Ague	Debility	Inflammation	Secondary Symp-
Asthma [plaint	Dropsy	Jaundice	toms
Bilious Com-	Dysentery	Liver complaints	Tic-douloureux
Bowel Com-	Erysipelas	Lumbago	Tumours
plaints	Female Irre-	Piles	Ulcers [tions
Blotches on the	gularities	Rheumatism	Venereal Affec-
skin	Fevers of all	Retention of Urine	Worms, all kinds
Colics	Fits [kinds	Scrofula or King's	Weakness from
Constipation of	Gout	Evil	whatever cause
the Bowels	Head-ache	Sore Throats	&c., &c.
Consumption	Indigestion	Stone and Gravel	

N.B.—Directions for the guidance of patients in every Disorders are affixed to each box.

The following is a list of sub-agents appointed by the wholesale agent, from whom only these valuable medicines can be warranted genuine:—Perth, Mr G. Shenton. Fremantle, Mr Wellard. York, Mr J. H. Monger. Toodyay, Mr J. York. Bunbury, Mr E. G. Hester. Vasse, Mr J. Herring.

HOLLOWAY'S OINTMENT.

Possessed of these remedies every Australian is his own family physician. If his wife and children are troubled with eruptions, sores, tumours, white swellings, sore throat, asthma, or any affection of the skin, glands or muscles, a persevering use of the Ointment is all that is necessary to produce a radical cure. If, on the other hand, the internal organs are assailed by disease—whether it be located in the stomach, liver, or the intestines—he can eradicate it by administering the Pills to the sufferer, under the guidance of the clear directions which accompany every box.

These Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs	{ Chilblains	{ Gout	{ Sore throats
Bad Breasts	{ Chapped Hands	{ Glandular	{ Skin diseases
Burns	{ Corns (soft)	{ Swellings	{ Scurvy

			{ Yaws, &c.

N.B.—Directions for the guidance of patients in every disorder are affixed to each pot.
