# Australian Anthem.

**G**OD bless our golden West;  
With fortress strength its rulers bless,

A nation's honour to possess

In this our golden land.

Keep from our shores all war and strife;

Give help to all that strive for right;

In loudest anthems all unite

For God to bless the West.

Let's all united stand

In brotherhood—a glorious band—

In fealty to defend this land,

Our great and glorious West.

God bless our rulers all;

Be their guide at duty's call;

For with Thy help we cannot fall

In this our glorious West.
