2019 Perth Open

Twenty players braved the hot weather to participate in the CAWA Perth Open at the Southern Suburbs Chess Club on the weekend 9th and 10th February. While a few of WA's leading local players were missing this year, the tournament was still quite strong on the top boards.

The convincing winner with 5.5/6 was Sam Marin, a Canadian residing in Shenzhen, China and visiting Australia on holiday. Tim Hare shared 2nd place (4.5/6) with Jens Mueller, a German residing in London, who has returned to visit WA once more after having participated in this tournament in 2018. WA players look forward to opportunities to meet new players from interstate and abroad, and we hope to be able to welcome our visitors back at more Perth tournaments in the near future. .

Report kindly provided by Andrew Hardegen.

2019 WA School Chess League

The CAWA School Chess League (SCL) commenced on Sunday, 24th March with the South Zone qualifying event held at Corpus Christi College.

It was a very good turnout with a combined total of 81 players competing from 26 Primary and Secondary schools.

Results of the top 3 schools for both divisions (with only the top 2 schools getting qualified into the finals in September) are as follows:

Primary Division:

1st - Nedlands Primary School (Qualified), 2nd - Rosalie Primary School (Qualified), 3rd - Victoria Park Primary School

The competition for the individual honours in this division was very tight as both Alex Pimenov and Emily Zhang went undefeated with 7 points each from 7 rounds of play. Alex eventually won the title after a play-off game between the two.

Secondary Division:

1st - Trinity College (Qualified), 2nd - Perth Modern School (Qualified), 3rd - Corpus Christi College

This division went into extra gear as it provided the most exciting match in the final round between Aidan McGinty and Zhi Hong Lew, which was decided within the last few seconds on the clock of both players, with Aidan prevailing and placing tied for 4th place.

The Dharmapuri brothers (Kundan and Sri Krishna) occupied the top 2 placings, with the younger Kundan gaining the top honour for the individual title.

Full details of the tournament are available from the following link:

<https://tornelo.com/chess/orgs/ku/events/wa-scl-2019-south-zone/pairings>

DOP was Jay Lakner and assisted by Alan Wolstencroft and Dante Osorio.

CAWA would like to thank Corpus Christi College for hosting the event and Suzy Lasarov for all her hard work in accomodating us.

The next School Chess League Zonal will be held at the North Woodvale Primary School on Sunday, 12th May 2019.

Report kindly provided by Dante Osorio.

Congratulations to Temur Kuybokarov

Last month, Temur Kuybokarov received official notification that the FIDE Presidential board has formally ratified the award of Grandmaster Title.

Temur has been residing in Western Australia for over two years and was the winner of the 2019 Australian Open held at the end of last year in Melbourne.

WA chess players will know that Temur has already made a significant impression on our State scene having taken time off from his busy international schedule to win the 2018 State Lightning and 2018 and 2019 State Allegro and take part in two simultaneous exhibitions, (unbeaten).

Temur has recently completed the 3rd Sharjah Masters International where he achieved 6/9 against a very strong field and is now competing in the Dubai Open Chess Tournament.

We wish him every success in his endeavours both overseas and in Australia.
