In the wet season big storms build up.  
The wind blows and everything gets dark.  
We can't see kids we are playing with.

One time we tried to catch a rainbow.  
We ran towards it and looked around. It  
wasn't there. It was on the other side of  
the hill.

So we tried to catch another rainbow. It was a little rainbow. We saw a blue tongue lizard.

The blue tongue had made the rainbow.  
The blue tongue opened its mouth wide  
and all the colour flowed out.
