*Layinga purangu pila parrijarra,  
Wanpanginy jaa Nganiwila ruwa yaniny.*  
On the weekend Leryan and Brunardo went first for hunting.

*Parrijarra Nyingany jaa  
Parnkaljaa Nujnuj palu yaniny  
wartangurn.*

Tristen and Bevan went second.

*Nyingkanyju parlipinya kakaji.  
Parnkaltu lanani mana jawurlu.*

Tristen saw a big goanna and Bevan poked that big goanna with a stick.

*Nuj nuj jurla tirkirrkanya ngurrakarti  
kamparnupurru.*

Errol took that big goanna and they cooked it up and they ate it.
