YOU WILL NEED:

FLOUR

BAKING POWDER

WATER

FRYPAN

OIL

LOTS OF KIDS TO EAT IT

Elsie is showing us how to make damper. First she mixes the flour and then she adds the baking powder to it.

Then she adds water to the flour to make it like playdough.

Elsie is mixing the flour and the water together.

Elsie is kneading the flour to make a damper.

It's starting to look like a damper!

Now we all have a turn to make our own damper.

Brunardo, Dina and Hylton are kneading the damper.

Junior is kneading the damper.

Anthea is kneading the damper.

Kelwin is kneading the damper.

Junior and Jeneka are kneading the damper on the table.

Jeneka and Bevan  
are kneading the damper.

Trishelle is kneading the damper.

All the kids are kneading the damper and making a big mess.

Jaswin is pouring the cooking oil into the frying pan.

The damper is ready to cook.

The damper is almost cooked.

Elsie cuts the damper up into pieces.
