

SOUP soup

Kadjina Kids in the Kitchen

*This book was written by the kids from
Wulungarra Community School*

Wulungarra Literature Production Centre 2000

To make **SOUP SOUP**

You will need:

onion

spring onion

potato

carrot

cabbage

meat

soup packet

water

big pot

and lots of kids to eat it up!

We put all the vegetables on to the table. They came from Fitzroy on the plane.

***We chopped the onion and it gave us
sore eyes and made us cry.***

We washed the potatoes in the sink and then we cut them into small pieces.

We added some chopped cabbage and spring onions for extra flavour.

***We cut up the meat from the killer
that we caught on Sunday.***

***We put water in the big saucepan
and stirred all the vegetables and
meat and waited for it to boil.***

***We ate the soup soup at Sue's house.
Jenny put the soup soup on the plates
for all the kids.***

All the kids enjoyed the feast.

YUM! YUM! *It's just right.*
