

Steve goes to Carnival

By Joshua Button and Robyn Wells

Notes by Robyn Wells, March 2018

11. FIREWORKS AND DECORATIONS

Manila folder containing 7 pieces of original artwork

The fireworks and geometric decorations hanging overhead in the carnival scenes in our book were based on a fabulous 1970s carnival image from the Time-Life book, *Great Cities of the world/Rio de Janeiro* (p.162). The giant flower decorations are very seventies in both colour and form and were perfect to use in our own carnival.
