TO MODEL 'A' ENTHUSIASTS & OWNERS:

The next meeting of the W.A. Branch of M.A.R.C. is to be held at the home of Mike and Laurel Cooke at [REDACTED], Kingsley at 2:30 p.m. SUNDAY JULY 27, 1980.

At this meeting we hope to have the South Australian Constitution to discuss as a basis for our own Club Constitution.

The meeting will be open to ideas and comments to ensure the Club runs along the lines the members would like -- so start thinking now and bring along your suggestions.

For those of you who are already members of M.A.R.C., Canberra, watch for information on the W.A. Branch in the coming issues of MODEL 'A' NEWS.

As there is ample safe cul-de-sac parking in Briar Court why not come along in your Model A, if it is fully licensed (and weather permitting of course).

Look forward to seeing you then.

Mike Cooke
Secretary
Steering Committee
