September 4, 1980.

NEXT MEETING: SUNDAY, SEPTEMBER 28TH - 2:00 p.m.  
BILL SPENCER'S WORKSHOP  
[REDACTED]  
SUBIACO.

This is so we can have a look at Bill's collection of bits and pieces and restoration in progress etc. (one hour only)

From there we go to BILL AND MAVIS' HOME  
[REDACTED] NEDLANDS  
for the meeting at 3:15 p.m.

+++++

With the general business of getting the Club organised over, meetings will be more of a social outing for members with the chance to look at restorations (if in progress) and generally get together to enjoy our Model A hobby. What about a short drive and picnic for our October meeting ? Let us have your comments please - by mail, phone or at the September meeting.

To date membership stands at 20 with several more applications to come in.

The Constitution has been drawn up and will be printed and sent to members as soon as it is available.

Incorporation paperwork for the Club is also underway with the necessary Depts.

Well, the above was the good news - now for the not so good news - SUBSCRIPTIONS !

Set out below on a tear-off section are dues for both the W.A. Branch and the main Canberra Club. A block mailing of Subs for the Canberra club together with a list of members subscribing and their mailing/home addresses will be sent by the Treasurer at the appropriate time to Canberra.

We would like all W.A. Branch members to belong to the Canberra main club but if you wish only to belong to the W.A. Branch enclose \$5.00 only. Also, could you please send your subs in promptly so there will be no need for the Treasurer to do any chasing around for overdue accounts.

Thats all for this news letter - see you all at Bill & Mavis' on the 28th.
