Club News :

As at November 7th our Club has nineteen fully paid up members...with several more dues to still come in. (Are you one of those who hasn't got a round tuit yet!?)

Bill Bennie is still plugging away at getting the Incorporation papers underway - and as most of us know - anything to do with red tape always takes some time.

Forgot to tell you last letter that after discussion with members during the meeting at Bill & Mavis Spencer's that the Club News Letter will be known as "THE WESTERN A MODEL". (Hope this meets with the approval of you country members who could not be present at the meeting.)

Bits and Pieces:

Below is a sketch which appeared as a 'tip' in the American Model A News some time back. This is the sequence for tightening down head nuts.
