MODEL A RESTORERS CLUB (WESTERN AUSTRALIA BRANCH)

Pres: Bill Bennie
Ph: [REDACTED]

Sec : Mike Cooke

Kingsley 6026
Ph [REDACTED]

January 18, 1981

Next Meeting Date:

SUNDAY, FEBRUARY 1, 1981 at the home of Eric & Nene Richards, [REDACTED] Gooseberry Hill (Ph: [REDACTED]).

This is a BYO barbecue lunch commencing about 12:30 p.m. to be followed by the meeting at 2:30 p.m. This is to allow members who are unable to be there for the lunch to attend the normal meeting.

Pack those lunches ladies and round up the whole family for the first meeting of the year. Also, if it is hot, put in the bathers as we believe there is an icy cold pool to have a dip in !

Club News:

After the last meeting on November 30th at Max Annears - which was a thoroughly enjoyable afternoon of eating, looking, gossiping and generally enjoying the company of other members - nothing has happened Club wise because of the Christmas and New Year festivities.

The clauses required by the Corporate Affairs Office regarding the Club Constitution have been prepared and submitted.

For those members who could not attend the last meeting:

Max Annear has information regarding a "Car Lovers Tour" (vintage/veteran) of U.K. and Europe and for any member interested, please contact Max direct on [REDACTED] or [REDACTED], North Beach.

Bill Bennie has information on Beam Whiskey Bottle Decanters in Ford A shape. (Earlier decanters seen were very good quality). Information from Bill on [REDACTED] or [REDACTED], Noranda.

That's all for now, so see you at [REDACTED] on February 1st.
