CLUB NEWS:

NEW MEMBERS: Since the issue of our first MEMBERS LIST, two more members have joined us:

Tony & Rita Parin, [REDACTED] Wanneroo 6065 Ph: [REDACTED]
They have Model A Ute and also a Tourer.

David Heard, [REDACTED], Karratha, 6714 Ph: [REDACTED]

David was down in Perth and attended the March 22nd meeting. He then visited several members and obtained much information and also a motor for his vehicle. When he has all the bits sorted out and advises Mike Cooke of "Parts wanted" we will put it in the next news letter - and hope that some members may be able to assist.

VISITORS:

Those who attended the March 22nd meeting were able to meet with M.A.R.C. (Australia) National President, Wayne Aberdeen, who was in Perth for a few weeks. Wayne was able to visit quite a few members and went on a V.C.C. of W.A. Rally with Eric Richards and family. He is currently restoring a Model A Truck.

THIS AND THAT!

David Heard advises us that Joe & Susan Shean were the culprits who got him interested in Model A's and that Joe is doing a magnificent job on his Model A. Hope we can see it down here in Perth one of these days.....a shame to keep it up there in all that red dust !
